

**Thank you to everyone  
who entered the Contest.**

**The judges were blown away by your snowmen!**

**Nassau Bay, you REALLY stepped up.  
There were 61 entries and here are the results  
as judged by the CANBE Board.**

**Which snowman is your favorite?**

## Decatur Family, Point Lookout Dr

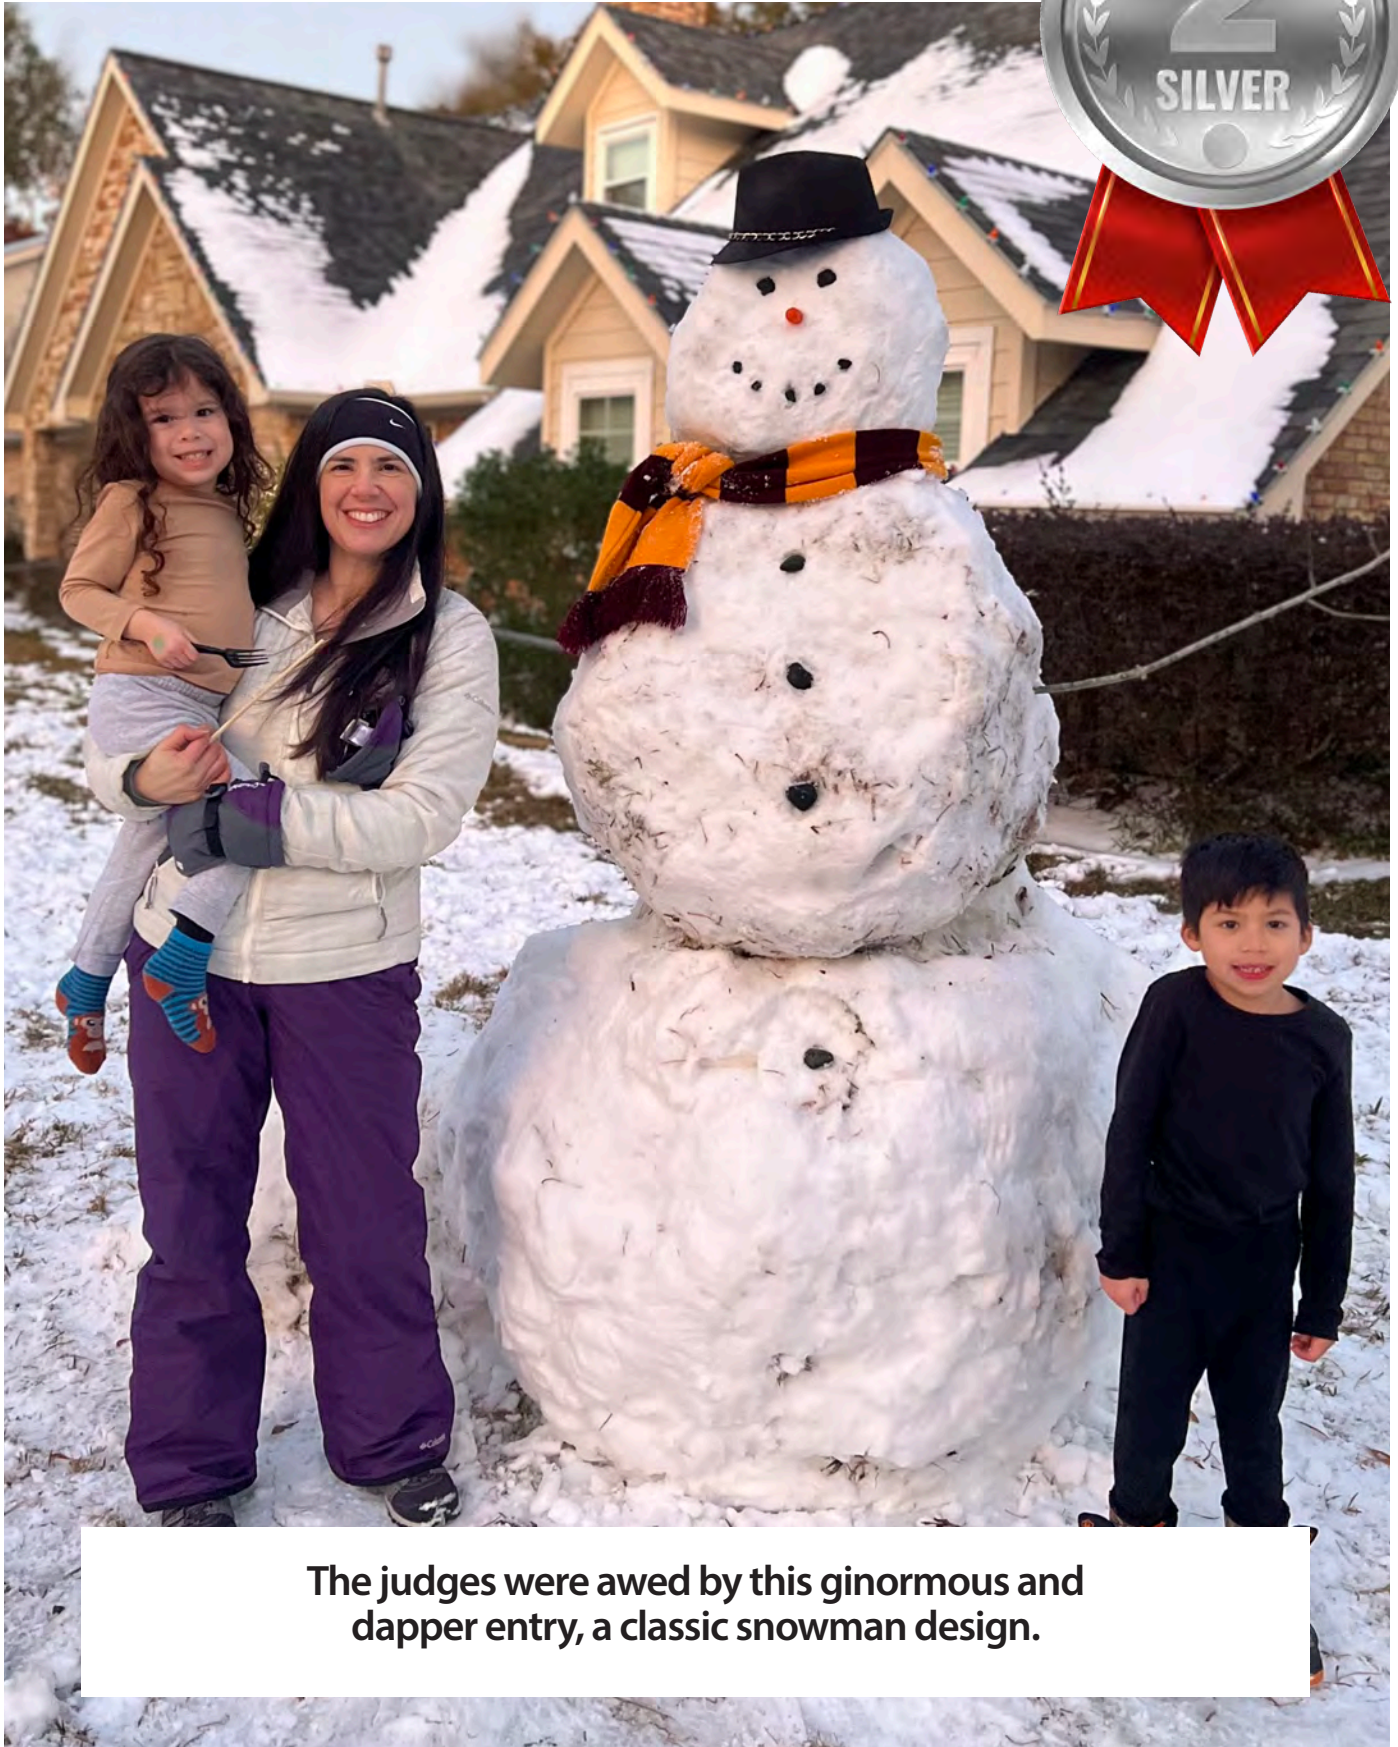

**Congratulations to the Decatur family for winning for Best Snowman this year. Putting him in a kayak on the lake was a great idea.**

The Horton family collaborated on this entry, and Sarah Horton is on the CANBE board, so the second place finisher will receive the \$100 gift card.

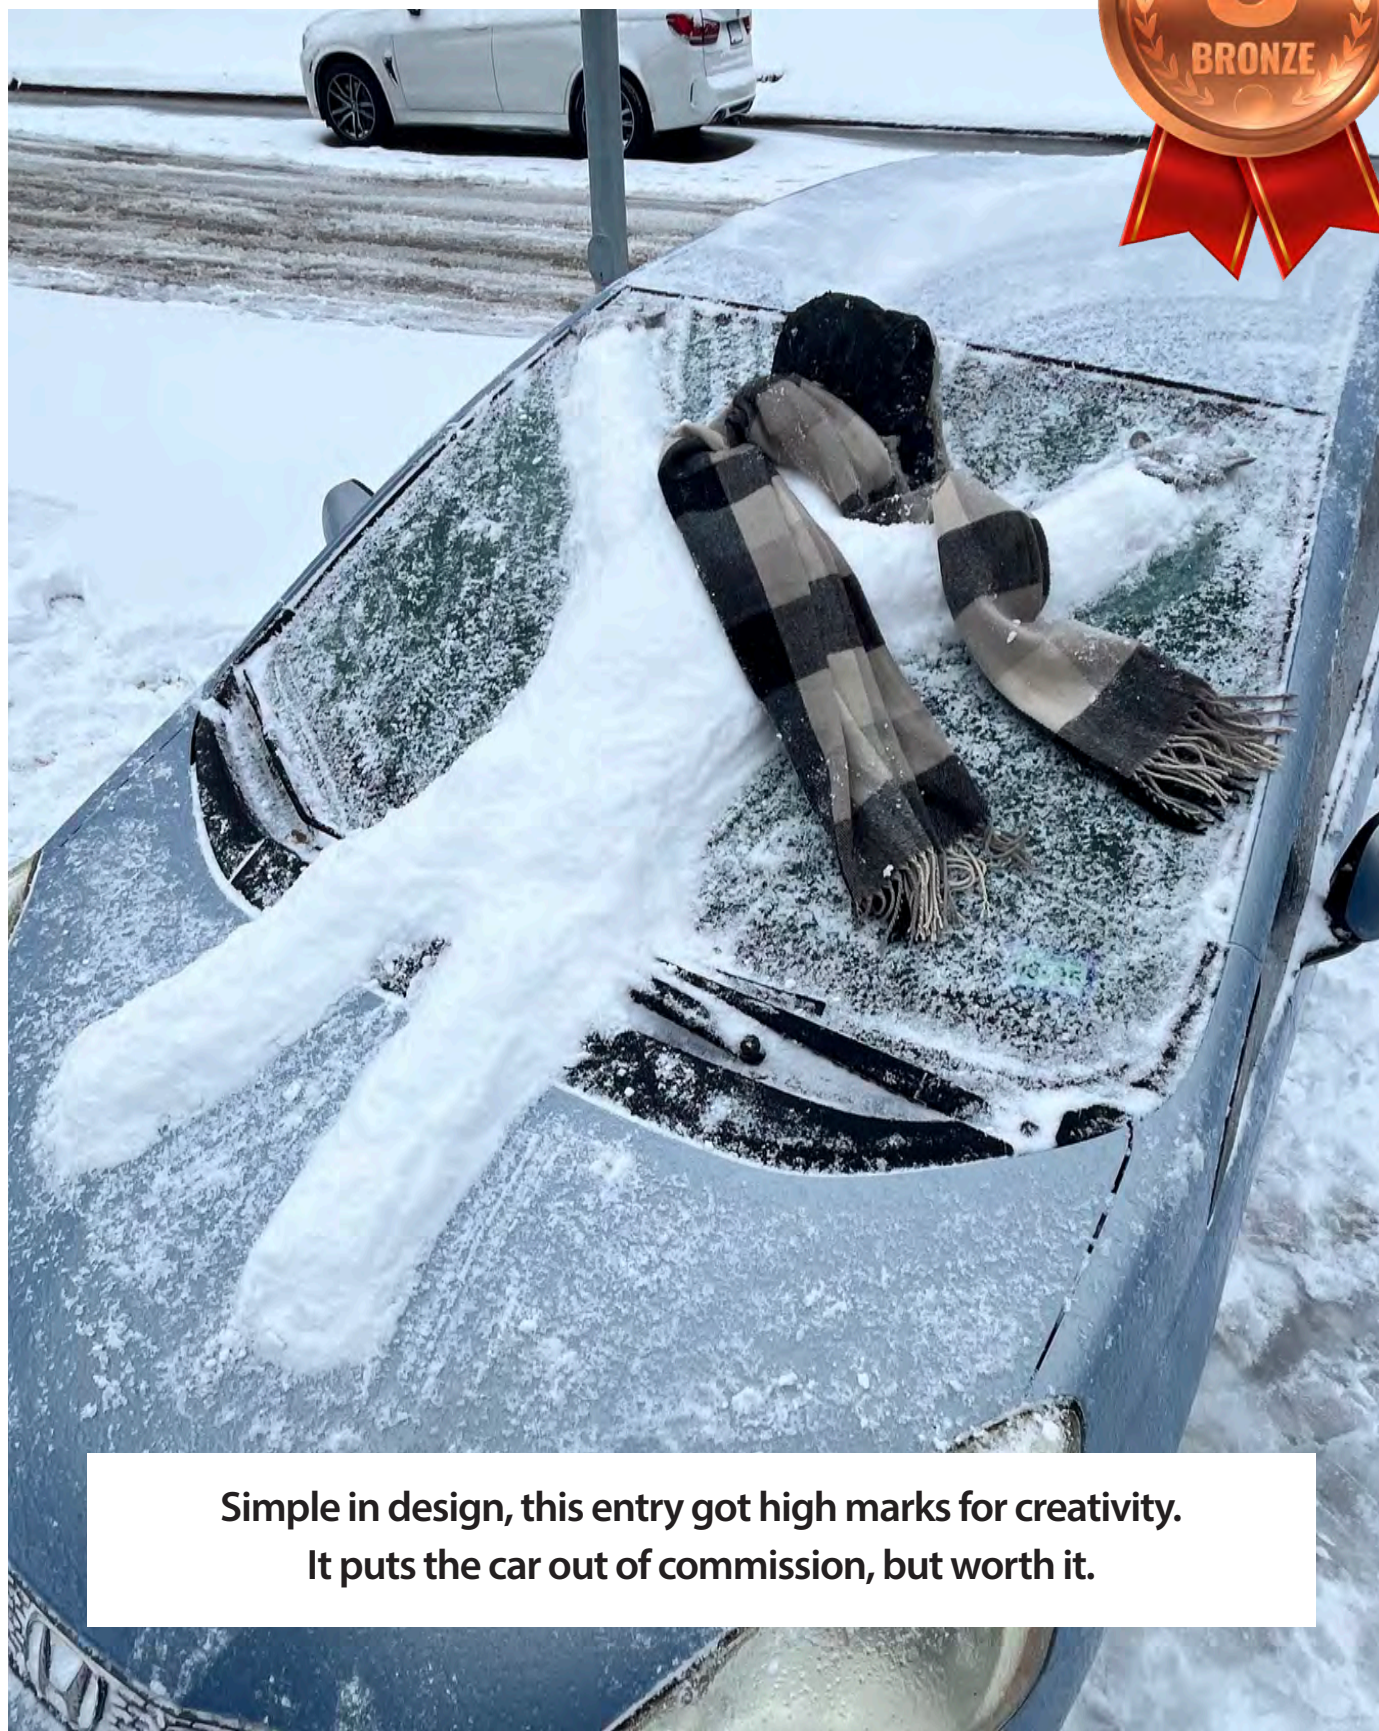

Jessica Abary, Antigua Lane

The judges were awed by this ginormous and dapper entry, a classic snowman design.

## Elias Johnson, Martinique Drive

**Simple in design, this entry got high marks for creativity. It puts the car out of commission, but worth it.**

Check out

Nassau Bay  
snowmen.
